

The Blue Star Mothers of the Midlands, SC are work on their holiday care package drive year round.

Once items are assembled, they are sent to deployed service members around the world.

We seek assistance in providing the items for the care packages but also seek monetary donations to purchase the needed items for the "Care Packages" and to pay postage to send overseas.

If you or your organization would like to assist with us by hosting your own "Troop Supply Drive", we would welcome it! Please contact us at

info@bluestarmotherssc.com

If you would like to help with a monetary donation:

Post Office Box 2364, Lexington SC 29071
